

Comfeel™
FEEL THE COMFORT

What is Comfeel™ ?

Comfeel™ is our latest innovation suitable for residential & contract carpets, offering excellent performance with softness.

Carpets manufactured with Comfeel™ are durable even after incessant & extensive use.

Say goodbye to ordinary carpets with Comfeel's enhanced comfort & aesthetic appeal!

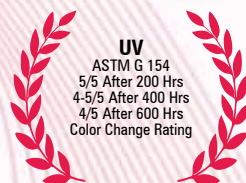

Why Comfeel™ ?

Comfeel's high resilience with good bulk improves the coverage & longevity of carpets.

This high-quality yarn can be offered with preferred lusters with excellent colour fastness. Comfeel's BCF yarn is inherently stain & bleach resistant, UV resistant & anti-static, hence making it ideal for residential & commercial purposes.

For a luxurious feel & durability,
Think **Comfeel™**!

COMFEEL TEST REPORTS

AYM Syntex
The Global Carpet Yarn Leader

WHY CONSUMERS LOVE COMFEEL™

Great value proposition in comparison to Nylon

Excellent performance in residential & contract space
