

Comfeel™

FEEL THE COMFORT

What is Comfeel™?

A **performance yarn** specifically designed to suit all **denim** applications

Offers **extreme comfort** & **shape retention** coupled with **extra soft texture**

Designed to **fit all the contours of the body** making the wearer **look & feel great**

No more saggy & **loose jeans**, your **denim** will **look & feel new** even **after years of use!**

Why Comfeel™?

Extremely long lasting, retains shape even **after years** of usage.

Comfort stretch in denim applications

Enhanced power stretch with spandex

Skin friendly and **doesn't cause** any **rashes** or **irritation** even on sensitive skin

So soft & comfortable that you might **not even want** to **get out of your jeans**
