

Comfeel™

FEEL THE COMFORT

What is Comfeel™ ?

Comfeel™ is a **synthetic textured yarn** that is used in the production of **Narrow Width Tapes (NWT)**, which are **extremely soft & gentle against** the skin

Comfeel™ yarn is **created** keeping in mind the **wearer comfort, material durability & stretch recovery** to ensure a **perfect fit** even after **consistent, long-term use**

Narrow Width Tapes manufactured using Comfeel™ are **durable** even after **continuous & long use**, so no more **saggy elastic tapes!**

Why Comfeel™ ?

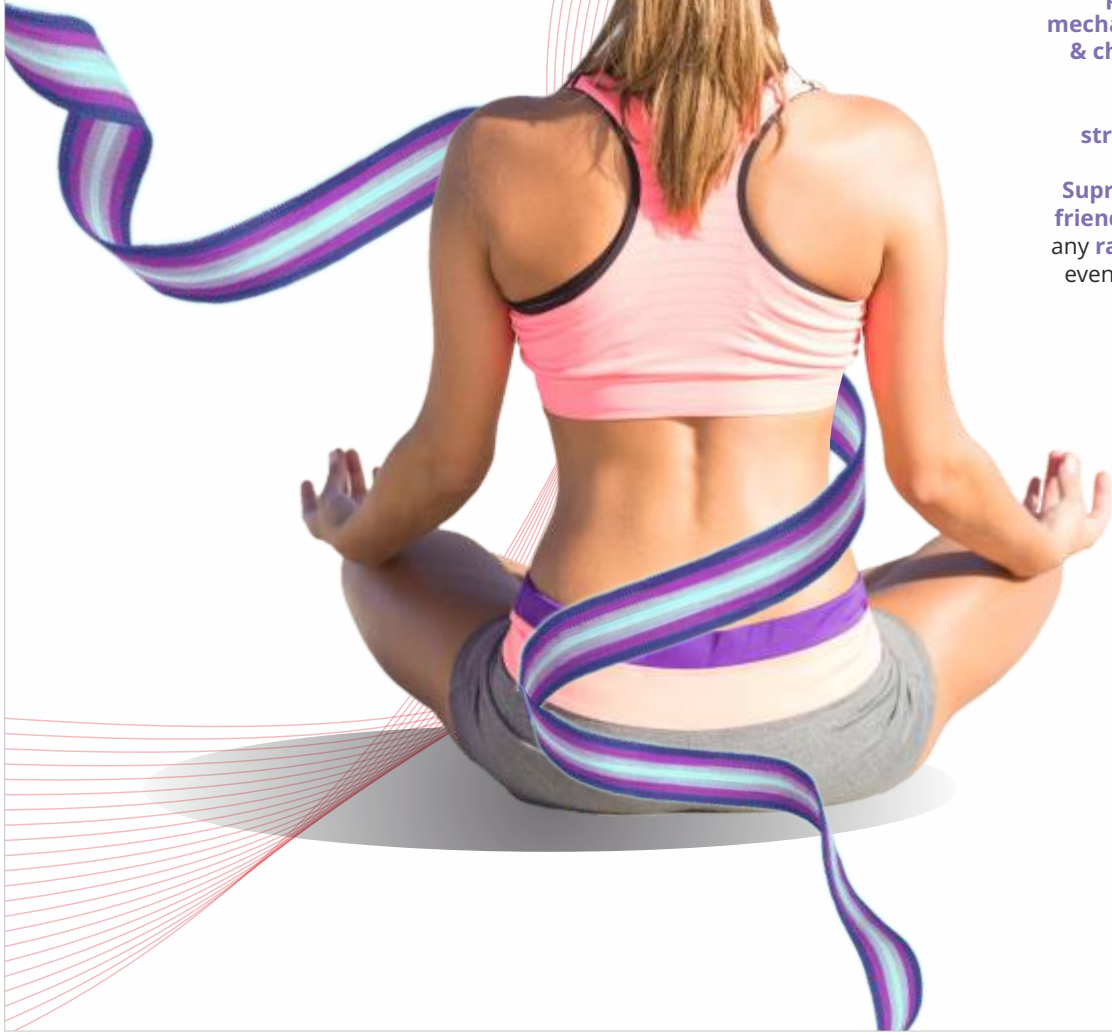

Extremely long-lasting, retains shape even after years of frequent usage

Excellent inherent properties such as **mechanical stretch, UV & chlorine resistance**

Enhanced power stretch with spandex

Supremely soft & skin friendly, doesn't cause any rashes or irritation even on **sensitive skin**

Ensures a snug & comfortable fit
