

100% TEXTURED POLYESTER

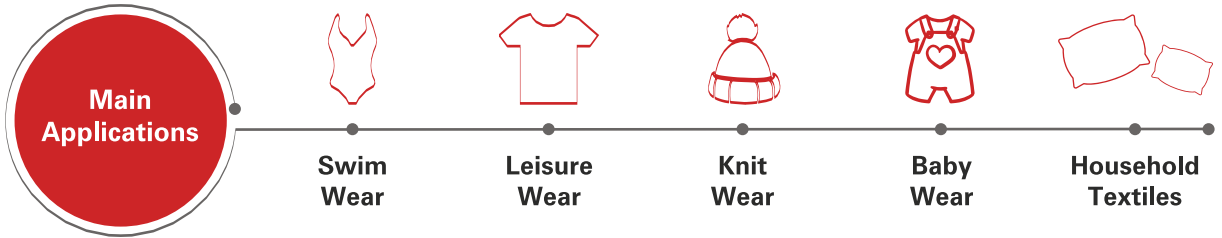

LEGACY IS BORN OUT OF **EXCELLENCE**

100% TEXTURED POLYESTER 150-200-300

AYM Syntex, an industry pioneer with the best technology for texturing, coupled with stringent processes and high standards of quality.

These factors ensure that AYM's 100% Textured Polyester offers uniform crimp and softness. This makes it most suitable for serging seams on woven fabric and overlock / flatlock on knit wear.

Features & Benefits

- Provides Good Seam Cover & Softness
- Low Shrinkage & No Distortion Post Wash
- High Resistance to Colour Fastness
- Oeko-Tex 100 Class 1 Certified
