

**SILQUE™**  
vibrant, radiant, elegant

# *The Brilliant Hue That Represents **YOU***

## **About Silque™**

Silque™ is a **revolutionary yarn** that has a **smooth texture** and **lustrous shine**

The final product produced using Silque™ exhibits a **dazzling hue** that makes it **distinct from** the **other fabrics** available in the market today

It is an **appealing product** that will be **profitable to both** the **manufacturer** and the **customer**

Silque™ has the capability to **dye easily** at **low temperatures** yielding **brilliant shades**.

This property would help manufacturers to optimize their entire process and also enable them to **replace Viscose with Silque™** in a variety of applications

Silque™ is an ideal yarn for **customized embroidery, sarees** and **apparel**

## **Why Silque™ ?**

Silque's unique properties add value to the final product

Its **texture is soft** and exhibits an appealing lustre **characteristics that are identical to silk**

This distinguished variety of yarn provides **good value for money** as it is **reasonably priced** and has **brilliant qualities** like **beautiful lustre, comforting smoothness** and **distinctive colour shades**

Being synthesized, Silque™ reduces our dependency on natural resources

## Benefits to Consumers

**Reasonably  
Priced Apparel**

**Brilliant  
Lustre**

**Dazzling  
Colour**

**Smooth  
Texture**

**Silk-like & Viscose  
Properties**

## Benefits to Manufacturer
